

Public Library Membership

Our mission is to enlighten minds through a fun and creative learning environment where hands-on experiences spark curiosity, discovery and the joy of exploration.

The Mid-Hudson Children's Museum (MHCM) is committed to sharing the joy of learning with all families. Library Memberships to the Mid-Hudson Children's Museum are good for one year. Library patrons may borrow a Library Membership card to visit under free general admission during public hours. The membership includes 2 adults (or grandparents) and all children under 18 from one household. The card may not be used as free admission when attending birthday parties or with group visits. Additionally, Library Membership cards do not include our usual membership discounts on birthday parties, playgroups and summer camps. Purchase a library membership by completing the below application and return with payment to the Mid-Hudson Children's Museum at 75 North Water Street, Poughkeepsie, NY 12601. Please allow 2-3 weeks to process your application. Thank you.
